

SENSE Contactless Door Opener

The ultimate solution to zero contact with public surfaces!

A Versatile Touch

Use your SENSE before you touch any surface that can be contaminated with germs. Even opening doors, using an ATM, and touching your phone screens!

Have It Make SENSE

Made out of Zinc Alloy, the SENSE Door Opener is the perfect statement to show your customers what you care for.

GGFF06 – A contactless metal gadget to help you get through any task! Bring it anywhere with you to prevent germs from spreading and stay protected and aware. Use your SENSE before you touch! Use your SENSE to open doors, click buttons on ATM machines, payment terminals, as well as your cell phone. An easy to use high quality design for everyone! Comes in 5 colors.
